

PLANET BOOK REPORT DIRECTIONS

Your book report will be a “book” made in the shape of your chosen object.

1. Find cardboard or other stiff material to make the front and back cover of your “book”.
2. Draw the shape of your planet or object. Make it at least 9” – 12” in diameter. Cut it out and color/decorate it.
3. Take lined paper and make the inside page(s) the same size and shape of your “book”. 1 – 3 pages should be enough.
4. Write at least 10 fact sentences about what you’ve learned. Do not copy the sentences directly from the book you have read. Put the facts in your own words. Dad and Mom may help you with grammar, punctuation, and spelling.
5. Tie the book together on one end.
6. Practice reading your report out loud to share with the class.

You will be graded on the following:

- *complete sentences, punctuation, grammar, and spelling
- *following the directions
- *turning in the project on time

PROJECT IS DUE THURS., DECEMBER 13.
